Social Play Profile

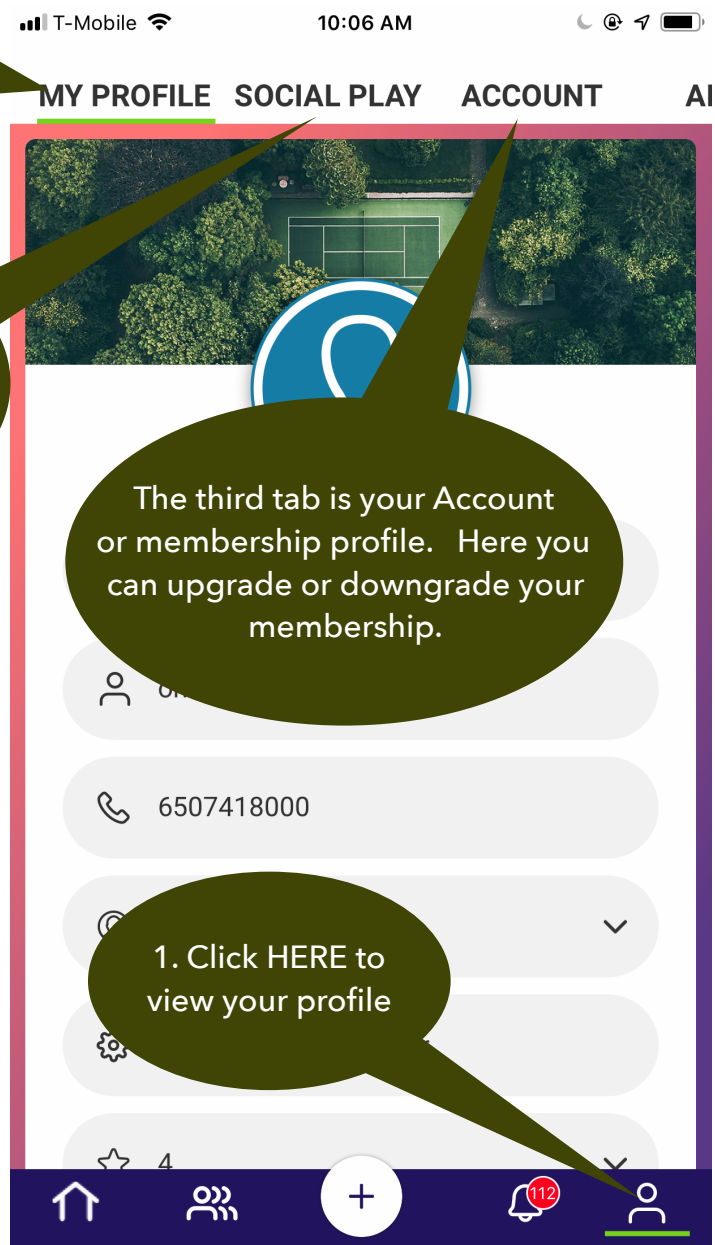

My Social Play Profile contains information of what types of Social Play events I want to participate in, and who my Friends are. **To access and edit my Social Play Profile, swipe left or click the Social Play tab:**

Your Profile has several screens. The tabs are listed at the top of the screen.

The second tab is your Social Play Profile.

The third tab is your Account or membership profile. Here you can upgrade or downgrade your membership.

The screenshot shows the 'SOCIAL PLAY' section of a mobile app. At the top, there are three tabs: 'SOCIAL PLAY', 'ACCOUNT', and 'ABOUT'. Below the tabs are three game type options: 'Singles' (one person icon), 'Doubles' (two people icon), and 'Mixed' (two people icon). A callout points to these options: 'Select the types of games you like to play'. Below the game types is a 'My Friends' section with a 'Selected Friends' list and a 'Friends Only?' toggle. A callout asks: 'Which Venues or Clubs do you like to play at?'. The 'Friends Only?' toggle has 'Yes' and 'No' options, with 'No' selected. A callout explains: 'Receive invitations from anyone, or just your Friends'. Below this are two dropdown menus: 'Select Venues' and 'Select Timeslots'. A callout asks: 'What time of day/week do you like to play? As an example, if you work during the weekdays you can select weekday evenings only'. At the bottom, there are two more toggle options: 'Tournaments?' and 'Lessons & Clinics?'. Both have 'Yes' and 'No' options, with 'Yes' selected. Callouts ask: 'Interested in Tournament invitations?' and 'Interested in Lessons or Clinics?'. The bottom navigation bar includes icons for Home, Friends, a central '+' button, Notifications (with a '112' badge), and Profile.

Filling out the Social Play Profile is important because it will customize the types of invitations you will receive from others.
