MY TEAMS

Here, as a captain or co-captain, you can turn on/off food assignments and edit the list of assigned foods:

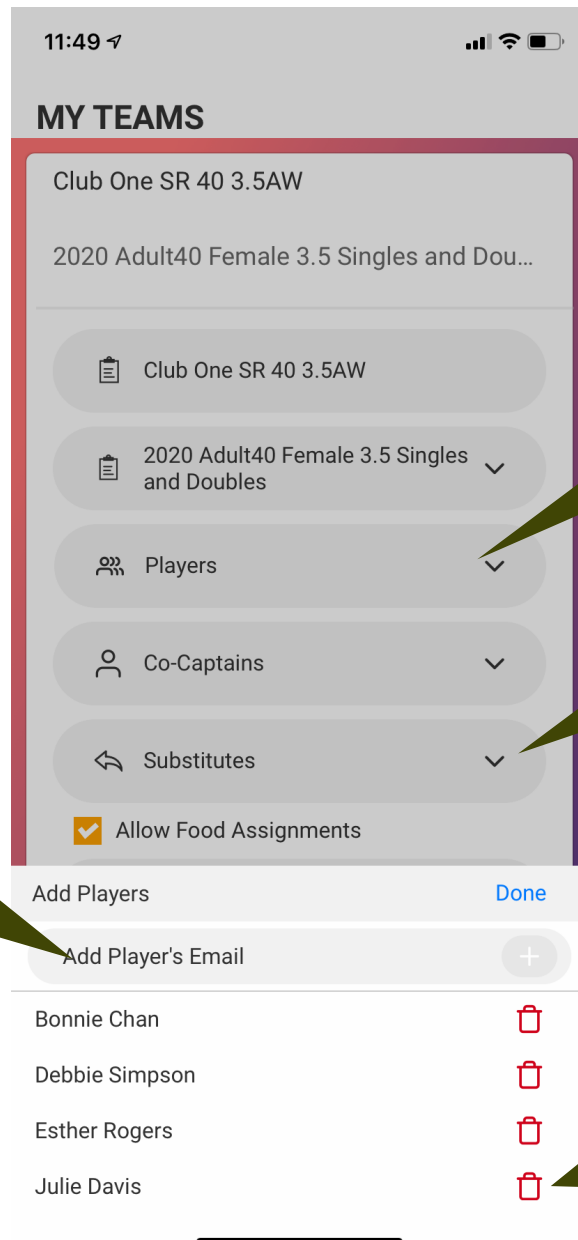

Clicking this will automatically assign Foods to players in lineups for HOME Matches.

If you Allow Foods, click HERE to edit the foods assigned.

To delete a food, click the red trash can

To Add a new food, enter and click +

Additionally, you can add/delete team players, and team subs.

Click HERE to edit the roster.

Click HERE to edit the Subs.

To add a player, enter their email address and then click the + sign

To remove a player from the team, click the red Trash can

Subs can participate in team practices, but not in matches.
